### **"Nightcall" (London Grammar)**

I'm giving you a nightcall to tell you how I feel  
I'm gonna drive you through the night down the hills  
I'm gonna tell you something you don't want to hear  
I'm gonna show you where it's dumped but have no fear

There's something inside you  
It's hard to explain  
There's something inside you, boy  
And you're still the same

I'm giving you a nightcall to tell you how I feel  
I'm gonna drive you through the night down the hills  
I'm gonna tell you something you don't want to hear  
I'm gonna show you where it's dumped but have no fear

There's something inside you  
It's hard to explain  
They're talking about you, boy  
But you're still the same

Tell you how(3x)

I'm giving you a nightcall to tell you how I feel  
I'm gonna drive you through the night down the hills  
I'm gonna tell you something you don't want to hear  
I'm giving you a nightcall to tell you how I feel and how I feel

## "Stay With Me" (Sam Smith)

Guess it's true, I'm not good at a one-night stand  
But I still need love 'cause I'm just a man  
These nights never seem to go to plan  
I don't want you to **leave**, will you **hold** my hand?

*[Chorus:]*

Oh, won't you stay with me?  
'Cause you're all I need  
This ain't love, it's clear to **see**  
But darling, stay with me

Why am I so emotional?  
No, it's not a good look, gain some self-control  
And deep down I **know** this never works  
But you **can lay** with me so it doesn't **hurt**

*[Chorus 3x]*

## "Break The Rules" (Charlie XCX)

Electric lights  
Blow my mind  
But I feel alright

And never stop, it's how we ride  
Comin' up until we die

You catch my eye  
Bitch, you wanna fly  
I'm so alive

Never stop, it's how we ride  
Comin' up until we die

*[Chorus:]*

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules

I'm such a star  
Queen boulevard  
Blaze through the dark

And never stop, it's how we ride  
Comin' up until we die

*[Chorus:]*

Get my guitar  
Sunglasses on  
So light it up

And never stop, it's how we ride  
Comin' up until we die

*[Chorus:]*

Na [x4]

### **Back Home" (Andy Grammer)**

I'm gonna need you to raise your glass  
 I don't care what you put in it  
 Here's to nights that you can't take back  
 We live hard but we love to laugh

We all thought that we'd get rich fast  
 Hop the plane out for greener grass  
 Found out the green is cash  
 Don't compare to the friends that last

See, we won't forget where we came from  
 The city won't change us  
 We beat to the same drum  
 No, we won't forget where we came from  
 The city can't change us  
 We beat to the same drum, the same drum

(Hey!)  
 La-dah-dah-dah-dah-dah-dah-dah  
 La-dah-dah-dah-dah-dah-dah-doe  
 (Hey!)  
 And no matter where we go  
 We always find our way back home  
 [x2]

So here's to the cheap sunglasses  
Redbull and minivans and  
People who had your back when  
The world didn't understand

See, we won't forget where we came from  
The city won't change us  
We beat to the same drum  
No, we won't forget where we came from  
The city can't change us  
We beat to the same drum, the same drum

(Chorus)

When ties loosen  
We're losin' touch  
And fading away  
We'll still be raising our cups  
To the same damn things

Oh no, the city won't change us [x4]  
Won't change us

(chorus x3)

(Hey!)

We always find our way back home  
Yeah, we always find our way back home

### "Home" (Dotan)

Run past the rivers  
Run past all the light  
Feel it crashing and burning  
Till it all collides  
Strike a match, lit the fire  
Shining up the sky

As it all comes down, again  
As it all comes down, again  
As it all comes down, again, to the sound

[Chorus:]  
The sound of the wind is whispering in  
your head  
Can you feel it coming back?  
Through the warmth, through the cold  
Keep running till we're there

We're coming home now  
We're coming home now  
[repeat]

Hear the voices surround us  
Hear them screaming out  
We'll be crying for mercy  
We'll be crying out loud  
Burn the bridges in our town  
Till the point where we drown

As it all comes down, again  
As it all comes down, again  
As it all comes down, again, to the sound

[Chorus:]

## "The Nights" (Avicii)

Hey, once upon a younger year  
When all our shadows disappeared  
The animals inside came out to play  
Hey, went face to face with all our fears  
Learned our lessons through the tears  
Made memories we knew would never fade

(Chorus)

One day my father—he told me,  
"Son, don't let it slip away."  
He took me in his arms, I heard him say,

"When you get older  
Your wild heart will live for younger days  
Think of me if ever you're afraid."

He said, "One day you'll leave this world behind

So live a life you will remember."  
My father told me when I was just a child  
These are the nights that never die  
My father told me

When thunder clouds start pouring down  
Light a fire they can't put out  
Carve your name into those shining stars  
He said, "Go venture far beyond these shores.  
Don't forsake this life of yours.  
I'll guide you home no matter where you are."

(Chorus)

Lyrics from: <http://www.azlyrics.com/>

So I, I bet my life, I bet my life  
I bet my life on you  
I, I bet my life, I bet my life  
I bet my life on you

I've been around the world and never in my wildest dreams  
Would I come running home to you  
I've told a million lies but now I tell a single truth  
There's you in everything I do

Now remember when I told you that's the last you'll see of me  
Remember when I broke you down to tears  
I know I took the path that you would never want for me  
I gave you hell through all the years

(Chorus)

Don't tell me that I'm wrong  
I've walked that road before  
And left you on your own  
And please believe them when they say  
That it's left for yesterday  
And the records that I've played  
Please forgive me for all I've done

(Chorus)

**"I Bet My Life"  
(Imagine Dragons)**

I **know** I **took** the path that you would  
never want for me

I know I **let** you down, didn't I?  
So many sleepless nights where you  
were waiting up on me  
Well I'm just a slave unto the night

Now remember when I **told** you that's  
the last you'll **see** of me  
Remember when I **broke** you down to  
tears

I know I took the path that you would  
never want for me  
I gave you hell through all the years

(Chorus)

So I, I **bet** my life, I bet my life  
I bet my life on you  
I, I bet my life, I bet my life  
I bet my life on you

I've been around the world and never in  
my wildest dreams

Would I come **running** home to you  
I've told a million lies but now I tell a  
single truth

There's you in everything I do

Now remember when I told you that's

Lyrics from: <http://www.azlyrics.com/>

And I can hear the sirens burning  
Red lights turning  
I can't turn back now

So hold on tight

(Chorus)

I don't know where the lights are taking us  
But something in the night is dangerous  
And nothing's holding back the two of us  
But, baby, this is getting serious  
Oh oh oh  
Detain the dangerous  
Oh oh oh

Show me your soul  
I gotta know  
Bet that you're beautiful inside  
Toes on the glass  
Car moving fast  
Come take the wheel and drive

I don't know what you're thinking, sugar  
And I just got that feeling, sugar  
I can hear the sirens burning  
Red lights turning  
I can't turn back now

So hold on tight

(Chorus)

It's dangerous, so dangerous  
I wanna do it again (Come on, baby)  
It's dangerous, so dangerous  
I wanna do it again (2x)

(Chorus)

## "Dangerous"

(David Guetta, feat. Sam Martin)

You **take** me down  
Spin me around  
You got me **running** all the lights  
Don't **make** a sound  
Talk to me now  
**Let** me inside your mind

I don't **know** what you're **thinking**, sugar  
But I just got that feeling, sugar  
And I can **hear** the sirens **burning**  
Red lights turning  
I can't turn back now

So **hold** on tight

(Chorus)

I don't know where the lights are taking us  
But something in the night is dangerous  
And nothing's holding back the two of us  
But, baby, this is **getting** serious

## Billie Eilish – Bury a friend

What do you want from me?  
Why don't you run from me?  
What are you wondering?  
What do you know?  
Why aren't you scared of me?  
Why do you care for me?  
When we all fall asleep, where do we go?  
Come here  
Say it, spit it out, what is it exactly  
You're payin'? Is the amount cleanin' you  
out, am I satisfactory?  
Today, I'm thinkin' about the things that are  
deadly  
The way I'm drinkin' you down  
Like I wanna drown, like I wanna end me  
Step on the glass, staple your tongue (ahh)  
Bury a friend, try to wake up (ah ahh)  
Cannibal class, killing the son (ahh)  
Bury a friend, I wanna end me  
I wanna end me  
I wanna, I wanna, I wanna end me  
I wanna, I wanna, I wanna  
What do you want from me? Why don't you  
run from me?  
What are you wondering? What do you  
know?  
Why aren't you scared of me? Why do you  
care for me?  
When we all fall asleep, where do we go?  
Listen  
Keep you in the dark, what had you  
expected?  
Me to make you my art and make you a star  
And get you connected?  
I'll meet you in the park, I'll be calm and  
collected  
But we knew right from the start that you'd  
fall apart  
'Cause I'm too expensive  
Your talk'll be somethin' that shouldn't be  
said out loud  
Honestly, I thought that I would be dead by  
now (Wow)  
Calling security, keepin' my head held down  
Bury the hatchet or bury your friend right now  
For the debt I owe, gotta sell my soul  
'Cause I can't say no, no, I can't say no  
Then my limbs all froze and my eyes won't  
close  
And I can't say no, I can't say no  
Careful  
Step on the glass, staple your tongue (ahh)  
Bury a friend, try to wake up (ah ahh)  
Cannibal class, killing the son (ahh)  
Bury a friend, I wanna end me  
I wanna end me  
I wanna, I wanna, I wanna end me  
I wanna, I wanna, I wanna  
What do you want from me? Why don't you  
run from me?  
What are you wondering? What do you  
know?  
Why aren't you scared of me? Why do you

# Calvin Harris ft. Rag'n'Bone Man – Giant

I understood loneliness  
Before I knew what it was  
I saw the pills on the table  
For your unrequited love  
I would be nothing  
Without you holding me up  
Now strong enough for both of us  
Both of us, both of us, both of us  
I am a giant (Ooh)  
Stand up on my shoulders, tell me what you  
see  
'Cause I am a giant (Ooh)  
We'll be breaking boulders, underneath our  
feet

I am, I am, I am, I am, I am, I am a giant (Oh)  
I am, I am, I am, I am, I am, I am a giant (Oh)

Don't hide your emotions  
You can throw down your guard  
And free from the notion  
We can be who we are  
You taught me something, yeah  
Freedom is ours  
It was you who taught me living is  
Togetherness, togetherness, togetherness  
I am a giant (Ooh)  
Stand up on my shoulders, tell me what you

see  
'Cause I am a giant (Ooh)  
We'll be breaking boulders, underneath our  
feet

I am, I am, I am, I am, I am, I am a giant (Oh)  
I am, I am, I am, I am, I am, I am a giant (Oh)  
Oh, oh, oh, hey-oh, oh, oh, oh, hey-oh  
Gonna shake, throw it away in the dirt, under  
me, yeah, yeah  
Oh, oh, oh, hey-oh, oh, oh, oh, hey-oh  
Gonna shake, throw it away in the dirt, under  
me, yeah, yeah  
Gonna shake, throw it away in the dirt, yeah,

## Beyoncé – If I were a boy

If I were a boy  
Even just for a day  
I'd roll out of bed in the morning  
And throw on what I wanted and go  
Drink beer with the guys  
And chase after girls  
I'd kick it with who I wanted  
And I'd never get confronted for it  
'Cause they'd stick up for me

If I were a boy  
I think I could understand  
How it feels to love a girl  
I swear I'd be a better man  
I'd listen to her  
'Cause I know how it hurts  
When you lose the one you wanted  
'Cause he's taken you for granted  
And everything you had got destroyed

If I were a boy  
I would turn off my phone  
Tell everyone it's broken  
So they'd think that I was sleepin' alone  
I'd put myself first  
And make the rules as I go  
'Cause I know that she'd be faithful  
Waitin' for me to come home (to come home)

If I were a boy  
I think I could understand  
How it feels to love a girl  
I swear I'd be a better man  
I'd listen to her  
'Cause I know how it hurts  
When you lose the one you wanted (wanted)  
'Cause he's taken you for granted (granted)  
And everything you had got destroyed

It's a little too late for you to come back  
Say it's just a mistake  
Think I'd forgive you like that  
If you thought I would wait for you  
You thought wrong

But you're just a boy  
You don't understand  
Yeah, you don't understand, oh  
How it feels to love a girl someday  
You wish you were a better man  
You don't listen to her  
You don't care how it hurts  
Until you lose the one you wanted  
'Cause you've taken her for granted  
And everything you had got destroyed

But you're just a boy

# Beyoncé – If you were a boy

If I **were** a boy  
Even just for a day  
I'd roll out of bed in the morning  
And **throw** on what I wanted and **go**  
**Drink** beer with the guys  
And chase after girls  
I'd kick it with who I wanted  
And I'd never **get** confronted for it  
'Cause they'd stick up for me

If I were a boy  
I **think** I could **understand**  
How it **feels** to love a girl  
I **swear** I'd be a better man  
I'd listen to her  
'Cause I **know** how it hurts  
When you **lose** the one you wanted  
'Cause he's **taken** you for granted  
And everything you **had** got destroyed

If I were a boy  
I would turn off my phone  
**Tell** everyone it's **broken**  
So they'd think that I was **sleepin'** alone  
I'd **put** myself first  
And **make** the rules as I go  
'Cause I know that she'd be faithful  
Waitin' for me to **come** home (to come home)

If I were a boy  
I think I could understand  
How it feels to love a girl  
I swear I'd be a better man

## Henri PFR – Flames

On a January morning  
At the door without a warning  
I remember those eyes  
It's been a long time  
You say love is like red wine  
It gets better but it takes time  
Before we dance like we used to dance  
Please just let me know  
Will it be more than just a night  
Cause you already know  
For you I go as far as I can go

When the fire fire in my heart lights up again  
Higher higher  
And I'm burning slow  
Fire fire  
Feel the flames coming up  
Shouldn't fall in love and let you go  
Yeah the fire fire in my heart lights up again  
Higher Higher  
And I'm burning slow  
Fire fire  
Shouldn't fall in love and let you go  
Fall in love or let you go

I wanna hold you in the morning  
Should I take it as a warning  
That you don't seem to care running your hands  
through my hair

Baby now is not the right time  
Don't know if I got the right mind  
To dance like we used to dance  
Again  
So please just let me know  
Will it be more than just a night  
Cause you already know  
For you I go as far as I can go

When the fire fire in my heart lights up again  
Higher higher  
And I'm burning slow  
Fire fire  
Feel the flames coming up  
Shouldn't fall in love and let you go  
Yeah the fire fire in my heart lights up again  
Higher Higher  
And I'm burning slow  
Fire fire  
Shouldn't fall in love and let you go  
Fall in love or let you go

When the fire fire in my heart lights up again  
And I'm burning slow  
Shouldn't fall in love and let you go  
Fall in love or let you go

# Tom Walker – Leave a Light On

The second someone mentioned you were all  
alone  
I could feel the trouble coursing through your  
veins  
Now I know, it's got a hold  
Just a phone called left unanswered, had me  
sparking up  
These cigarettes won't stop me wondering where  
you are  
Don't let go, keep a hold  
If you look into the distance, there's a house upon  
the hill  
Guiding like a lighthouse to a place where you'll  
be  
Safe to feel at grace 'cause we've all made  
mistakes  
If you've lost your way

I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on

Tell me what's been happening, what's been on  
your mind  
Lately you've been searching for a darker place  
To hide, that's alright  
But if you carry on abusing, you'll be robbed from  
us  
I refuse to lose another friend to drugs  
Just come home, don't let go  
If you look into the distance, there's a house upon  
the hill

Guiding like a lighthouse to a place where you'll  
be  
Safe to feel at grace 'cause we've all made  
mistakes  
If you've lost your way

I will leave the light on  
I will leave the light on

If you look into the distance, there's a house upon  
the hill  
Guiding like a lighthouse, it's a place where you'll  
be  
Safe to feel at grace and if you've lost your way  
If you've lost your way (I will leave the light on)  
And I know you don't know oh, but I need you to  
be brave  
Hiding from the truth ain't gonna make this all  
okay  
I'll see your pain if you don't feel our grace  
And you've lost your way

I will leave the light on  
I will leave the light on  
'Cause I will leave the light on

# Simon and Garfunkel – The Sound of Silence

Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence

In restless dreams I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a street lamp  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a  
neon light  
That split the night  
And touched the sound of silence

And in the naked light I saw  
Ten thousand people, maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never share

And no one dared  
Disturb the sound of silence

Fools, said I, you do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you  
But my words, like silent raindrops fell  
And echoed in the wells of silence

And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning  
In the words that it was forming  
And the sign said, the words of the prophets are  
written on the subway walls  
And tenement halls  
And whispered in the sounds of silence

# Imagine Dragons – Whatever It Takes

Falling too fast to prepare for this  
Tripping in the world could be dangerous  
Everybody circling, it's vulturous  
Negative, nepotist

Everybody waiting for the fall of man  
Everybody praying for the end of times  
Everybody hoping they could be the one  
I was born to run, I was born for this

Whip, whip  
Run me like a racehorse  
Pull me like a ripcord  
Break me down and build me up  
I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down and build me up

Whatever it takes  
'Cause I love the adrenaline in my veins  
I do whatever it takes  
'Cause I love how it feels when I break the chains  
Whatever it takes  
You take me to the top I'm ready for  
Whatever it takes  
'Cause I love the adrenaline in my veins  
I do what it takes

Always had a fear of being typical  
Looking at my body feeling miserable  
Always hanging on to the visual  
I wanna be invisible

Looking at my years like a martyrdom  
Everybody needs to be a part of 'em  
Never be enough, I'm the prodigal son  
I was born to run, I was born for this

Whip, whip  
Run me like a racehorse  
Pull me like a ripcord  
Break me down and build me up

I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down and build me up

Whatever it takes  
'Cause I love the adrenaline in my veins  
I do whatever it takes  
'Cause I love how it feels when I break the chains  
Whatever it takes  
You take me to the top, I'm ready for  
Whatever it takes  
'Cause I love the adrenaline in my veins  
I do what it takes

Hypocritical, egotistical  
Don't wanna be the parenthetical, hypothetical  
Working onto something that I'm proud of, out of  
the box  
An epoxy to the world and the vision we've lost  
I'm an apostrophe  
I'm just a symbol to remind you that there's more  
to see  
I'm just a product of the system, a catastrophe  
And yet a masterpiece, and yet I'm half-diseased  
And when I am deceased  
At least I go down to the grave and die happily  
Leave the body of my soul to be a part of me  
I do what it takes

Whatever it takes  
'Cause I love the adrenaline in my veins  
I do whatever it takes  
'Cause I love how it feels when I break the chains  
Whatever it takes  
You take me to the top, I'm ready for

# Alice On the Roof Easy Come Easy Go

My chest is getting tight  
I've got nothing to hide  
I take it all on board  
I've got to crack the code

Everything coincides  
Heavy are these skies  
I wanna make a vow  
To make this right somehow

(Chorus)

It's killing you inside  
Fighting against the tide  
I'm sinking like a stone  
Easy come easy go

I gave you all I had  
A fool could tell you that  
Been hiding out below  
Easy come easy go

(End chorus)

Footprints in the snow  
I'll follow where you go  
In my mind I've made a plan  
In my mind I understand

Take me back to the start

To mend a broken heart  
To see what I'd become  
To right the wrongs I've done

(Chorus)

Oooos

It's hidden in your eyes  
A look betrays a lie  
I didn't even know  
I didn't even know

It's killing you inside  
Fighting against the tide  
I'm sinking like a stone  
Easy come easy go

It's killing you inside  
Fighting against the tide
